NEW FUND SUPPORTED, ILLUSTRATED BOOK OF KIERKEGAARD

Release 28th August 2013

The author and philosopher Søren Kierkegaard's religious masterpiece is now – at the 200th anniversary of his birth - finally for the first time available in a modern Danish illustrated edition (by author and philosopher Jens Staubrand).

It is the human love, there is analyzed and interpreted in Works of Love; man's deeds, our way of doing business. According to Kierkegaard, the human love is given by God, and the book of love's works contain a number of analyzes of the commandment to love God and one's neighbour as oneself.

For Kierkegaard the focal point becomes suchs as, who the neighbour is, how you can act correctly compared to the neighbour and therefore if such, a given action can be called loving. And in the book examines Kierkegaard among other requirement of requited love and habit, distrust, selfishness, jealousy, envy, arrogance, and carping.
